Now come li ping zeng on this 2nd day of october 2025 petition for release from detention due to unreasonable time in Detention.

Mr Zeng signed for voluntary departure ~~one~~ four months ago and has been in detention for over ten months. ICE has stated that Mr. Zeng's Country has failed to produce travel documents. This is not the fault of Mr. Zeng. He has no control over China and it's consulate. It is unreasonable to continue to hold Mr. Zeng in custody if it is foreseeable to remove, if that removal time exceeds a certain amount of time SEE Zadvydas-v-Davis. It has been over one hundred and twenty days since Mr. Zeng signed for voluntary departure. And has remained detained in less than favorable accommodations. It is time for his release. Mr. Zeng has the same rights as any American see 14th

amendment.

Conclusion

Because China has not produced a passport or other travel documents it is hard to determine when Mr. Zeng will be removed. It could be months or years. It is unconstitutional to continue to hold Mr. Zeng in custody.

SEE *Zadvydas v. Davis*.

The time Mr. Zeng has been in custody is long enough. Mr. Zeng is asking to be released.

Now comes Li Ping Zeng on this 2nd day of October 2025- swearing to the aforementioned as true and correct under penalty of perjury
