Pursuant to 28 U.S.C. § 1746, I, Lige Hampton, hereby declare under penalty of perjury that the following is true and correct:

1. I am a Supervisory Detention and Deportation Officer at U.S. Immigration and Customs Enforcement ("ICE") within the U.S. Department of Homeland Security ("DHS"). As a Supervisory Detention and Deportation Officer, I plan the work to be accomplished by subordinates, set and adjust short-term priorities, and prepare schedules for completion of the work and assign work to subordinates based on priorities, selective consideration of the difficulty and requirements of assignments, and the capabilities of employees and find ways to improve productivity or increase the quality of the work directed. I also assist in complex, difficult, or sensitive seizures. Furthermore, I coordinate travel plans with airlines; negotiate with receiving countries for receipt of deportee; and escorting deportees to their country of citizenship. I work with other Federal law enforcement officials to identify, locate and/or apprehend noncitizens; prepare, present and defend deportation or exclusion proceedings; ensuring the physical removal of noncitizens from the United States at various stages of their deportation/exclusion proceedings,

and conduct surveillance work. I evaluate work performance of subordinates; give advice, counsel, or instruction to employees on both work and administrative matters and develop performance standards and hear and resolve complaints from employees; effect minor disciplinary measures; identify developmental training needs of employees, providing or arranging for needed development and training.

2. I have prepared this declaration in connection with a Petition for a Writ of Habeas Corpus filed by the petitioner, Barrington Clive Campbell ("Campbell"). Campbell has been assigned the following Alien Number [redacted] The following representations are based on my review of the petitioner's administrative file, consultation with my colleagues, and ICE electronic records and databases.

3. Campbell is a native and citizen of Jamaica.

4. On or about August 4, 2021, U.S. Border Patrol with U.S. Customs and Border Protection ("CBP") encountered Campbell at the San Ysidro, California port of entry, at which time he applied for admission into the United States. He did not possess a valid nonimmigrant visa, border crossing identification card, or a passport valid for a minimum of six months from the date of the expiration of his admission into the United States, and thus was inadmissible to the United States pursuant to INA § 212(a)(7)(A)(i), 8 U.S.C. § 1182(a)(7)(A)(i).

5. On August 4, 2021, CBP personally served Campbell with a Notice to Appear ("NTA"), charging him as inadmissible under INA § 212(a)(7)(A)(i)(I), 8 U.S.C. § 1182(a)(7)(A)(i)(I), as an alien present in the United States who did not possess valid entry documents. However, that NTA was not filed with the Executive Office for Immigration Review.

6. After processing, Campbell was conditionally paroled into the United States pursuant to 8 U.S.C. § 1182(d)(5)(A). CBP records indicate that Campbell's conditional parole expired on August 2, 2022.

7. On August 1, 2022, Campbell filed an application for relief with the United States Citizenship and Immigration Services ("USCIS").

8. On August 18, 2025, the New York Police Department arrested Campbell for assault with intent to cause injury to an officer, fireman, EMT, nurse, or crossing guard, in violation of New York Penal Law ("NYPL") § 120.05(3). The charges were subsequently dismissed.

9. On September 15, 2025, USCIS served Campbell by mail with a new NTA, charging him as inadmissible under INA § 212(a)(7)(B)(i)(I)-(II), 8 U.S.C. § 1182(a)(7)(A)(i)(I), as an alien present in the United States who is not in possession of a passport valid for a minimum of six months from the date of the expiration of the initial period of the alien's admission or contemplated initial period of stay authorizing the alien to return to the county from which the alien came or to proceed to and enter some other country during such period or an alien not in possession of a valid nonimmigrant visa or bordering crossing identification card at the time of application for admission. On the same date, USCIS filed the NTA with the Executive Office for Immigration Review, New York Broadway Immigration Court in New York, New York, thereby commencing removal proceedings against Campbell.

10. Campbell was scheduled for an initial master calendar hearing before an Immigration Judge on October 15, 2025. On September 29, 2025, the Immigration Judge issued a new hearing notice, rescheduling Campbell for a master calendar hearing on March 3, 2027.

11. On October 22, 2025, ICE officers mailed Campbell a G-56 Form, Call in Letter directing him to report to the 201 Varick St. New York Field Office on November 13, 2025.

12. On November 13, 2025, Campbell reported to the New York ICE office. ICE took him into custody at 201 Varick St, New York pursuant to INA § 235(b)(2)(A), 8 U.S.C. § 1225(b)(2)(A). During processing, ICE served Campbell with a Form I-200, Warrant for Arrest.

13. During processing, ICE also presented Campbell with a form entitled "Important Information About Section 236(a) Initial Detention Decisions." This form was given to Campbell in error, because Campbell was not detained or processed for detention pursuant to INA § 236(a), but rather INA § 235(b)(2)(A).

14. On November 13, 2025, Campbell was transported from 201 Varick St., New York to Delaney Hall Detention Facility in Newark, New Jersey for further processing. At approximately 7:08 p.m., he was transported from Delaney Hall Detention Facility to the NYC Holding room, located at 26 Federal Plaza, New York.

15. On November 14, 2025, Campbell was transferred to the Metropolitan Detention Center, located in Brooklyn, New York, where he remains detained pursuant to INA § 235(b)(2)(A), 8 U.S.C. § 1225(b)(2)(A) pending removal proceedings.

16. The Immigration Court rescheduled Campbell's initial master calendar hearing for December 2, 2025.
