**JOINT MOTION FOR STATUS CONFERENCE**

The parties, by and through their respective counsel, move for a status conference with the Court to be scheduled at the earliest possible date. In support, the parties state:

The case was recently transferred to this Court from the Eastern District of Michigan. All parties have already filed documents and memoranda in support of their respective positions, and Petitioner continues to be detained. The parties believe that a status conference as soon as possible would be beneficial to determine how the court wishes to proceed and decide on a timeline for the court to make a decision on the merits.

Respectfully submitted,

/s/Francyne Stacey
