Re: *Padilla Molina v. Deleon, et al.*, 25-cv-6526 (JMA)

Dear Judge Azrack,

This Office represents Respondents in the above-referenced action. Respondents respectfully submit this response to Petitioner's motion for a temporary restraining order, which seeks "his immediate release through a Rule 65(b) temporary restraining order" on the grounds of his alleged condition of confinement at an ICE holding facility in Central Islip, New York. *See* Dkt. No. 9-1, at 4.

On November 24, 2025, the Court had issued an order that "Petitioner shall not be removed from the Eastern District of New York or the United States until further Order of this Court." (the "November 24 Order"). ICE has been respectfully complying with the November 24 Order. There is limited space for ICE detainees in the Eastern District of New York. However, on December 2, 2025, bedspace became available for Petitioner at MDC Brooklyn. Petitioner was booked out of the holding facility in Central Islip at or around 9 a.m. on December 3, 2025 and was booked into MDC at or around 2:30 p.m. on December 3, 2025.

Thank you for the Court's attention to this matter.

Respectfully submitted,

JOSEPH NOCELLA JR.
United States Attorney
