Re: *John Doe v. Metropolitan Detention Center Warden Raul Maldonado, et al.*, No. 25-cv-6892 (BMC)

Dear Judge Cogan:

This Office represents Respondents in the above-referenced habeas action. By Order dated December 16, 2025, Your Honor inter alia directed Respondents to show cause why a writ of habeas should not be issued within 30 days of the date of that Order, and directed Petitioner to reply within 30 days thereafter. ECF 5.

However, on January 9, 2026, the parties entered into a Stipulation and Proposed Order of Dismissal that would resolve this action, and filed that fully-executed Stipulation for the Court's signature. ECF 6. In view of the mutually-agreed resolution reached by the parties, set forth at ECF 6, Respondents respectfully submit that the briefing schedule has been overtaken by events, but in an abundance of caution Respondents respectfully request adjournment of the briefing schedule *sine die*. Petitioner concurs and consents.

Thank you for the Court's time and attention to this request.

Respectfully submitted,

JOSEPH NOCELLA, JR.
United States Attorney
