RESPONSE TO ORDER

This response addresses the Court's Order (Dkt. No. 14) on March 4, 2026, concerning the Government's current status of efforts to effectuate Petitioner's removal to Iran or a third country. U.S. Immigration and Customs Enforcement has informed the undersigned that this matter is with the State Department in connection with the ongoing attempts to execute Petitioner's removal, but that there is no new information from the State Department about any recent developments in this regard. In light of this dearth of available information, the Government is not able to provide the Court with updated facts regarding Petitioner's removal to Iran, a third country, or a clear assessment of the likelihood of removal in the reasonably foreseeable future.
