

UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA
Civil No. 0:26-cv-00283-JMB-JFD

CHASIPANTA Llangari,

Petitioner,

**FEDERAL RESPONDENTS'
STATUS UPDATE**

v.

BONDI, *et al.*,

Respondents.

In response to Court's Order, Respondents' Counsel contends that its client has taken steps, and will continue to take steps, to mitigate the Court's concerns which animated its 1/26/2026 Order. Counsel has communicated with Respondent about the need to return Petitioner's belongings. Counsel is working with Respondent on ensuring that information is provided on release for detainees, to the fullest extent practicable, going forward. Counsel will file a status report once Respondent's belongings are returned, as mandated by Court order, and will provide documentation to the Court when release conditions are terminated. Counsel respectfully requests the Court granting an extension to the end of the week, at which point Counsel will file an update on the progress Respondent is making on returning Petitioner's license and cash, and terminating all conditions on release.
