Case 3:26-cv-00168-DCG

MOTION TO ACCEPT A LATE RESPONSE

I pray this Honorable Court can accept Petitioner's late Response to the Respondent's Response. The Petitioner is in custody of ICE at the SPC Processing Center and has limited access to the Court's filings. The mail system at the facility has been tardy and the Petitioner has not been receiving his mail. The Petitioner only recently was able to receive and view the Respondent's Response and is now filing his Response.

I respectfully submit this on March 9th, 2026 and affirm, under penalty of perjury, that the foregoing is true and correct.
