

UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF TEXAS
EL PASO DIVISION

Elizabeth Clemente Ceballos,

Petitioner,

v.

Case No. 3:26-CV-00312-DB

ANGEL GARITE, in his official capacity as
Assistant Field Office Director of Enforcement
and Removal Operations, El Paso Field Office,
U.S. Immigration and Customs Enforcement, *et*
al.,

Respondents.

STATUS UPDATE

Counsel for the Petitioner submits the following status update regarding their pending motion to enforce. As of March 5, 2026, Counsel for the Respondents has shared a tracking number (9414 7118 9956 1916 2703 05) to enable confirmation of delivery and receipt of Petitioner's Minnesota ID. Counsel for the Respondents has indicated Respondents intend to **retain** Petitioner's Mexican Passport. Petitioner remains on an ankle monitor and received no instructions as to how her movement would be restricted. Efforts to contact local ISAP and ICE/ERO have resulted in no response. Cases involving similarly situated non-citizens indicate efforts to remove the unlawful and unauthorized post-bond conditions will be futile absent a new Court order. *N- N- v. McShane*, No. CV 25-5494, 2025 WL 3143594 (E.D. Pa. Nov. 10, 2025); *See attached* Petition (documenting consistent non-responses from Federal Respondents regarding unlawfully imposed electronic monitoring). Petitioner is afraid to leave her home. Counsel for Petitioner would respectfully request consideration of the motion to enforce pending before this Court in view of

this non-communication regarding the ankle monitor and continued refusal to return the Petitioner's passport.

Dated: March 6, 2026

Respectfully submitted,
