IN THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF PENNSYLVANIA CIVIL DIVISION

WILMER SUAREZ, Petitioner, v. **WARDEN**, *et al.*, Respondents.	**Civil Action No**. 2:26-cv-00790 **NOTICE OF SCRIVENER ERROR IN PETITIONER'S ORIGINAL HABEAS PETITION** **A** [redacted]

NOTICE OF SCRIVENER ERROR IN PETITIONER'S ORIGINAL HABEAS PETITION

Plaintiff-Petitioner, Wilmer Suarez, through Counsel, submits the present Notice to inform the Court and Respondents of a scrivener error in paragraphs 60, 63, and 64 of his Petition for Writ of Habeas Corpus (ECF Doc. No. 1). These paragraphs and citations to exhibits were included in error, do not apply to Petitioner, and should be stricken.

Additionally, paragraph 65 incorrectly provides that Petitioner entered the United States three years prior to filing his Petition. Petitioner entered the United States on January 15, 2022, four years prior to filing his Petition.

Information regarding Petitioner's January 15, 2022, entrance into the United States and 212(d)(5) parole, and his February 6, 2026, detention by ICE are correctly provided in paragraphs 1-12 and 74 of his Petition.

Respectfully submitted for the Petitioner,
