UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA
Civil No. 0:26-cv-01429-JRT-JFD

Riky Alexis Morales Lopez,

Petitioner,

v.

Todd Blanche, *et al.*,

Respondents.

STATUS REPORT

The Federal Respondents submit this status update in response to this Court's Order issued on Tuesday, April 29, 2026, requiring an update on whether the May 4 hearing is still necessary. The Federal Respondents respectfully recommend that no further hearings are necessary in this case.

Petitioner's Counsel provided payment information to the Department of Homeland Security via a completed Department of Treasury form FMS 197 on April 20. The Department of Homeland Security is currently processing Petitioner's FMS 197 for payment, as it previously committed to do in a sworn declaration filed with the Court.

Given these developments, Federal Respondents respectfully recommend that no future hearing is necessary based on the proffer that the DHS is currently processing Petitioner's FMS 197 for payment.
