UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA
Civil No. 0:26-cv-01577-MJD-LIB

Gerardo Sanchez-Acuna,

Petitioner,

v.

Sherburne County Sheriff, *et al.*,

Respondents.

STATUS REPORT AND REQUEST FOR EXTENSION

Respondents submit this status report and request for a one-week extension in response to the Court's April 24, 2026 Order. ECF No. 11. The undersigned has been informed by U.S. Immigration and Customs Enforcement (ICE) that Petitioner Sanchez-Acuna is scheduled for repatriation on or about Friday, May 1, 2026, as stated in the attached declaration of Deportation Officer Geneva A. Balencia. Removal from the United States would likely cause this habeas case to become moot.

Considering this information, Respondents respectfully request that the deadline to respond to the petition be extended by one week. Given that this Petitioner is appearing pro se and is currently detained, it was impracticable for the undersigned counsel to meet and confer with him regarding this request for extension.
