CRISTIAN ONAN REYES LAGOS, Petitioner,

v.

KEVIN RAYCRAFT, et al., Respondents.

1:26-cv-792
Paul Maloney - US District Judge
Sally Berens- Magistrate Judge

I, Xochitl Calix Ulloa, declare under penalty of perjury:

- Assistance to Petitioner: I am assisting the Petitioner, Cristian Onan Reyes Lagos (A# [redacted], who is currently proceeding pro se while detained at the GEO North Lake Processing Center in Baldwin, Michigan.
- Emergency Circumstances: Petitioner has a Master Calendar Hearing scheduled for Monday, March 9, 2026. This filing is submitted as an emergency to prevent irreparable harm and the potential unlawful removal of the Petitioner before this Court can review his claims.
- Facility Delays and Missing Signature: This Petition and Motion are filed without a physical "wet ink" signature because the North Lake Processing Center has significantly delayed the processing of delivering mail and access to the Petitioner for several days. To meet the Monday court deadline, this filing must be dispatched immediately.
- Lack of Legal Counsel: Despite diligent efforts, the Petitioner has been unable to secure legal representation due to his indigence and the restricted access to legal resources while in federal custody. He is proceeding pro se out of necessity to protect his constitutional rights.
- Verbal Authorization: On March 4th and March 6th, I spoke with the Petitioner, and he reviewed and verbally authorized every fact contained in this Petition under penalty of perjury. He confirmed:
  - He was born on August 25, 2006, in Honduras.
  - He entered the U.S. as an Unaccompanied Alien Child (UAC).
  - He was previously vetted and released to a sponsor on October 13, 2023.
  - He has a pending application for asylum and has complied with all immigration requirements, including obtaining a Social Security Card, a Michigan Driver's License, and an Employment Authorization Document (EAD).
  - Supplemental Filing: I will facilitate the filing of an original, hand-signed verification page from the Petitioner as a supplement to this case as soon as the facility processes the necessary mail along with copies of the original packet.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

Xochitl Calix Ulloa
