Case No:

### Custody

Petitioner is in the physical custody of U.S. Immigration and Customs Enforcement (ICE). Petitioner is detained at the Stewart Detention Center, located at 146 cca Road. Lumpkin, GA. 31815, within this District, Petitioner is under the direct control of ICE and their agents.

### Venue

Venue lies in the Middle District of Georgia because Petitioner is currently detained in the territorial jurisdiction of this Court, at the Stewart Detention Center, located at 146 cca Road, Lumpkin, GA. 31815.

### Exhaustation of Remedies

Petitioner has exhausted his administrative remedies to the extent required by law, and his only remedy is by way of this Judicial Action.

### Statement of the Facts

Petitioner (Yorwin Yopez Perdomo) born on Lara Barquisimeto and is a citizen and national of Venezuela. Petitioner entered the United States on January 22, 2023 at Reynosa (Mx.), he was previously granted Temporary Protected Status (TPS) by USCIS.id at p.3 on November 16, 2023, he has a valid Social Security Card, and Driver License, also maintains a clean criminal record in the U.S. and venezuela. He has submitted an asylum application, which is pending a response. During an appointment at the DHS Atlanta Offices on December 17, 2025, ICE agents proceeded to arrest him without a warrant or prior notice, immediately taking him into ICE custody to the facility Stewart Detention Center located at 146 cca Road. Lumpkin, GA. 31815, where he remains in custody to this day under harsh conditions. During this time (more than ninety days) the Petitioner has repeatedly tried to engage in conversation with ICE agents, requesting an explanation or reason for the arrest and detention, but received no response to date. Custody procedures, unless voluntary departure has been granted pursuant to subpart C of 8CFR part 240. At a minimum, the regulation should permit a person to be detained for longer than 48 hours without charges being filed only if the emergency or extraordinary circumstances directly interfere with the government's ability to make a custody determination about the specific person, the time period should be ended by an actual charge and not just a decision to charge it is time to redress a long-standing flaw in 8CFR 287.3(d). Made all the more

claring by the regulatory charge. Whether a notice to appear and warrant of arrest as prescribed in 8CFR parts 236 and 239 will be issued. For these reasons, I ask this Court to intervene in favor of this petition and prevent the continuation of what is a clear violation of the petitioner's civil rights and due process.

### Prayer for Relief

Wherefore, Petitioner prays that this Court grant the following relief:

1) Assume Jurisdiction over this matter; 2) Grant Petitioner a writ of Habeas Corpus directing the respondents to immediately release Petitioner from custody under reasonably conditions of supervision; 3) Order respondents to refrain from transferring the Petitioner out of the Jurisdiction of this Court during the pendency of these proceedings; 4) Award Petitioner attorney's fees and costs under the equal access to justice Act ("EAJA") as amended, 5USC§ 504 and 28USC § 2412, and on any other and further relief that this Court deems Just and Proper.

I affirm, under penalty of perjury, that the foregoing is true and correct, respectfully submitted this March 11, 2026.
