UNOPPOSED MOTION TO CLARIFY REPLY DEADLINE AND SET REPLY DEADLINE

Neither RMR Civ. Practice Standard nor the District of Colorado establishes a timeframe by which a reply to a response to a petition for habeas corpus must be filed. The orders entered thus far do not set a timeframe by which a reply to a response must be filed.

Counsel for the Petitioner proposes that a reply to the Respondents' response be due two weeks from the date of the response's filing.

Pursuant to D.C.COLO.LCivR 7.1(a), the Parties have conferred and agree to a reply deadline two weeks from the date of Respondent's response.

Dated at Denver, Colorado on April 13, 2026.
