UNITED STATES DISTRICT COURT
DISTRICT OF ARIZONA

Azam Shaheen, Petitioner, v. Warden of Eloy Detention Center, et al., Respondents.	Case No. CV-26-01925-PHX-SMB **PETITIONER'S MOTION TO EXPEDITE**

PETITIONER'S MOTION TO EXPEDITE

Petitioner, Azam Shaheen, by and through undersigned counsel, respectfully moves this Court to expedite consideration of his Petition for Writ of Habeas Corpus pursuant to 28 U.S.C. § 2241.

This is a federal habeas action proceeding under 28 U.S.C. § 2241. Petitioner is currently detained by U.S. Immigration and Customs Enforcement ("ICE") at Eloy Detention Center. Petitioner submitted his petition for writ of habeas corpus on March 30, 2026. On April 27, 2026, the Honorable Susan M. Brnovich directed Respondents to file a return by May 08, 2026. The respondent responded timely. Petitioner has elected not to file a reply because the Petition fully sets forth the relevant facts and legal arguments necessary for the Court's adjudication. Accordingly, this matter is fully briefed and ripe for decision.

Petitioner's habeas petition has now been pending before this Court for over three months. More importantly, Petitioner has remained in immigration detention for over one year. Each additional day of detention constitutes a continuing deprivation of liberty, underscoring the need for prompt judicial review.

Under 28 U.S.C. § 2243, habeas proceedings are entitled to expedited consideration. The statute directs courts to "summarily hear and determine the facts,and dispose of the matter as law and justice require," and further provides that once a response is filed, a hearing should be set "not more than five days after the return," absent good cause. Although courts retain discretion in managing their dockets, this language reflects Congress's clear intent that habeas petitions—particularly those challenging ongoing detention—receive prompt and priority resolution.

Accordingly, Petitioner respectfully requests that this Court expedite its consideration of the Petition. The issues presented are fully briefed and may be resolved on the existing record without the need for further briefing. Should the Court determine that a hearing would assist in resolving this matter, Petitioner stands ready to proceed at the Court's earliest convenience.

WHEREFORE, Petitioner respectfully requests that this Court expedite its consideration of the Petition.

Dated this 22nd day of June 2026.
