IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLORADO
Judge William J. Martínez

Case No. 26-cv-1264-WJM

MUKESH KUMAR,

Petitioner,

v.

MARKWAYNE MULLIN, *et. al.*,

Respondents.

PETITIONER'S UNOPPOSED MOTION FOR LEAVE TO AMEND COMPLAINT TO ADD WARDEN AS A PART

Petitioner, Mukesh Kumar, by and through undersigned counsel, files this motion requesting this Court's leave to file an amended habeas petition to add Juan Baltazar, Warden of the Aurora Contract Detention Facility, as a party to this case, only. On March 26, 2026, Petitioner filed a habeas petition and corresponding emergency TRO asking this Court to release him from the custody of U.S. Immigration and Customs Enforcement ("ICE").

On March 31, 2026, government counsel brought the issue of the Warden being omitted from the Petition in this case to undersigned's attention. Thereafter, undersigned and government counsel discussed the issue. As a result of this discussion, it was agreed that the most efficient way to proceed was for Petitioner to amend the petition to add the

Warden. The Parties further agreed that this amendment does not result in a need to amend or otherwise change the deadlines set forth by the Court previously in this action.

Significantly the government does not oppose this motion. Accorignly, if this request is granted, it will not prejudice either party. Furthermore, this request is being made for good cause and with the intent to facilitate a quicker resolution of this matter.

For the above stated reasons, Mr. Kumar asks this Court permission for leave to file amended documents in his case.

RESPECTFULLY SUBMITTED,
