EMERJENCY MOTION FOR RELEASE DUE TO HARDSHIP

Your Honor,

As I mentioned in my letters and Motions to everyone(DHS,ICE,HSI,OCC,OPLA,Immigration court) many times before, which they are never answered, my wife is very ill. She may need a liver transplant. She can die at any time.

She is in Aventura hospital, Miami now, as we speak,

EMS took her there yesterday.

She needs my help very much. She don't have anybody else here, but me. All her family in Europe.

Friends and neighbors cannot be around 24/7.

I request a GPS bracelet, if necessary, and I promise, I will comply with all your conditions. Please.

Thank you.

Respectfully submitted on this, 9 day, 2026
