EMERGENCY MOTION FOR RELEASE

Your Honor,

I don't know what else to file in my case after, very recent, remarkable decision by 11th Cir. Court of Appeals in: Alvarez v. Warden, Fed. Det. Str, Miami, 2026 US App, LEXIS 13180.

11th Circuit Court of Appeals was unpersuaded by the Government's re-interpretation of §1225(b)(2).

Joining several others, Circuit Courts:

Suncho v. Freden, 2026, US App, LEXIS 12201(2d Cir. 2026)

Avila v. Bondi, 170 F4th, 1126(8th Cir. 2026)

Buenostro-Mendez v. Bondi, 166 F4th, (5th Cir. 2026)

Castanion-Mana v. DHS, 161 F4th, 1048(8th Cir. 2026)

And hundreds District Courts decisions with same outcome.(I wish, I am in Miami).

After dirty job by Respondents, when they changed my NTA to an arriving alien(everybody's knows, that I am not and this Court too, and 11th Cir. too), when they are falsified my federal documents and submitted to this Court, took jurisdiction away from Immigration Judge to hear my bond hearing, my only hope now on this Honorable Court.

In this Petition, I filed a few Motions.

With all my due respect, I do not remember that I ever filed Motion to Amend/Correct, this Court filed on 6/10/2926.

There is nothing to amend or correct. Let them falsified more documents, back to original NTA??
It was pure perjury, abstract of Justice, and contempt to Court. They are, basically, lied to this Court.
My Objections to respondents Response is not a Motion to Amend/Correct, when I showed to the Court how they are altered and falsified federal documents.
I remember, I filed Motion for TRO, Motion for Discovery, Motion for release, due to hardship, hopping that the Court will rule on ASAP.
I also remember, asking this Honorable Court to held an evidentarry hearings with my presence.
I remember too that I asked this Court to direct FBI to open criminal investigation for perjury, against Respondents.
I am sending letters and copies about this situation to:
Mr. Paul Brown, Special agent in Charge, Atlanta FBI Field office;
Mr. Steven N. Schrank, Special Agent in Charge, Homeland Security Investigation, Atlanta Field office
Mr. Todd Blanche, Attorney General of the United States(Acting).
Dr. Josef V. Cuffari, DHS' Inspector General.
This is NOT a clerical error, of course.

PROS

1. Only conviction, back in 1994, a misdemeanor, after changed in law just a recklessness.
2. Worked for the Government almost 20 years, put my life in danger.
3. Testified before the Congress.
4. In Mueller investigation.
5. Contributed valuable service to the country.
6. Supporting veterans(T2T.org) (WWP)
7. Supporting St. Jude children's hospital.
8. Medical conditions of my wife is very severe. (I shouldn't use this as a PROS, but this is a really, really hardship.)

CONS

1. Illegally updated my original NTA
2. Altered and falsified same NTA they are updated, committed perjury, abstract of Justice, Contempt to Court.

Unfortunately, I did not go to an law school(I may upon release), or worked as clerk to an Judge.
I don't understand a lot, just my life gave me Deja-vu 30 years later for the same issue
Only have now our small law library, where 5 out of 8 computers are from last century and English is not my first language.
Because of unique and complex jurisdictional issues involved, and, if this case will go long, long time, I respectfully request that this Honorable court will appoint pro bono counsel or Federal Public Defender for Petitioner and grants Motion to Expedited Jurisdictional Discovery, just like District Court In Los Angeles, 30 years ago, appointed for me Chief Deputy Public Defender Mr. Dennis Landin(who is Honorable Judge now in LA).
Just like this very Court in: EDQC v. Warden SDC, 789 Supp 3d 1234M.D GA 2025).

I respectfully request that this Honorable Court will grant my Petition and release me under 11th Cir. Alvarez derision.

Respectfully submitted on this, 22 day of June, 2026
