Comes Now, Petitioner, Harold Moises Moreno Vasquez ("Mr. Moreno Vasquez") and respectfully submits this status update. Upon information and belief, Mr. Moreno Vasquez may be in the process of being transferred out of state with a prior deportation order. Mr. Moreno Vasquez is concerned that without a temporary restraining order, he will be moved out of state and or be removed from the United States imminently. We sincerely apologize if we did not make the above clear in the PACER filing designations when this was filed.
