UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA

OROZCO AGUSTIN, Petitioner, v. FEDERAL DETENTION CENTER PHILADELPHIA, et al., Respondents.	Case No. 2:26-cv-02342 Motion for Temporary Restraining Order

MOTION FOR TEMPORARY RESTRAINING ORDER

Now comes the Petitioner, Alexander Alfonso Orozco Agustin, by and through his undersigned counsel, and hereby moves for a Temporary Restraining Order enjoining the Respondents from moving Petitioner outside the Commonwealth of Pennsylvania during the pendency of these proceedings. In support of this motion, Petitioner avers the following:

It is undersigned counsel's experience that Petitioner will likely be moved to a staging area such as Arizona or Louisiana, and then funneled to a detention center in such places as Mississippi, Colorado, Texas, or beyond. This movement disrupts the attorney/client working relationship and places even more undue stress on Petitioner's sister, family, loved ones, and Alexander himself.

Further, Alexander has been living peacefully in Bear, Delaware since his first and only entry in June 2022. He has established roots in the Delaware community with his sister and family. Petitioner has lived in Bear, Delaware for almost four years. He has worked the same job for those four years in renovation for the same employer. Alexander has never been arrested and has no history of violence in the United States or anywhere in the world.

Petitioner being detained far afield in the United States, away from his sister, family, and immigration counsel, will cause irreparable harm to his ability to diligently prepare his applications for immigration relief. Undersigned counsel has experienced increasing difficulty in scheduling remote virtual visits with detained clients repeatedly transferred to detention centers across the country. Detainees in various detention centers have less and less access to their legal counsel, ostensibly because detention centers do not have the resources to provide virtual visits or even phone calls to detainees trying to work with their attorneys.

We respectfully request this Honorable Court issue a Temporary Restraining Order enjoining Respondents from moving Petitioner outside the Commonwealth of Pennsylvania during the pendency of this proceeding.

Based on these signed documents and under the Federal Rule of Civil Procedure 65 and the Local Rule of Civil Procedure 65.1, the Petitioner respectfully requests a Temporary Restraining Order in support his Petition for Writ of Habeas Corpus.

Dated: April 10, 2026

Respectfully submitted,
