

EMERGENCY MOTION FOR EXPEDITED REVIEW

Petitioner, through Next Friend, respectfully moves this Honorable Court for expedited review of the Petition for Writ of Habeas Corpus.

Petitioner has been detained since December 2025 without a final order of removal and without being afforded a meaningful bond hearing.

This prolonged detention raises serious constitutional concerns under the Due Process Clause of the Fifth Amendment.

Additionally, Petitioner suffers from significant medical conditions resulting from prior life threatening injuries, including a gunshot wound that caused severe lung damage, requiring emergency surgery and resulting in long-term respiratory complications.

Petitioner's continued detention places him at risk of serious medical deterioration and potential life-threatening complications due to inadequate medical care.

Furthermore, Petitioner has demonstrated that he does not pose a danger to the community and is not a flight risk.

Given these circumstances, this matter is urgent and requires immediate judicial intervention.

WHEREFORE, Petitioner respectfully requests that this Court expedite review of the habeas corpus petition and grant any relief deemed just and proper, including release or a prompt bond hearing.

Respectfully submitted,
