## DECLARATION

I was born in **IRELAND**, on [redacted], I entered the United States Of America around AUGUST 21ST, 2013 legally with a waiver Esta 90 days visa. I'm married with a U.S citizen.

Around July 2025, I was arrested by the police because they were found a fake ID on my pocket. I went to court and I was charged of forgery in front of the federal judge. The judge then gave me a twenty-four months of probations. I had asked going to check with my probation officer every month and I did it.

After approximatively Eight to Nine months going to check with my probation officer, I was arrested by ICE agents when I went to check with my probation officer then at the same time I was brought to an ICE facility in Florence, which was on March 25th, 2026 and ICE brought me to another detention center which is ELOY DETENTION CENTER and i'm in ICE custody since then.

Right now I'm detained at ELOY DETENTION CENTER in Eloy, AZ and I don't have any court yet.

My wife and I didn't apply yet for my I-130 because we were wanted for my probations to be end before starting my petition under my marriage. I really apologize for the mistake I make in the United States and i'm ready to make a very productive positive change in my life and to become a modele for the community.

I am a businessman, I have five employers, I am a house owner, I pay mortgage for my house. I never use drugs, I don't have any tattoos, i'm not a gang member. I'm a volunteer going usually to speak to children in middle school. I'm expecting a baby in two months and I humbly implore that the United States District Court and the Government to give me a chance to be a good father for my child. I really apologize for the overstay in the U.S
