Attorney for Defendant **CORREA GONZALEZ**

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

(HONORABLE BENJAMIN J. CHEEKS)

MIGUEL ANGEL CORREA GONZALEZ, Petitioner, v. CHRISTOPHER LAROSE, ET AL, Respondents.	Case No.: 26-CV-3126-BJC **MOTION TO DISMISS HABEAS PETITION**

Petitioner, Miguel Angel Correa Gonzalez, hereby moves the Court to dismiss his Petition for Writ of Habeas Corpus, filed May 19, 2026.

FACTS

Mr. Correa filed his habeas Petition under 28 U.S.C. § 2241 because he had been detained in immigration custody for a prolonged period. At that time, Petitioner was litigating the issue of his U.S. citizenship in immigration court. Current counsel appeared on Mr. Correa's behalf on June 3 and thereafter requested an extension of time to file an amended petition due to

the unique issues in Mr. Correa's case. [ECF 7.] An amended petition is due today, June 19.

Since the extension of time was granted, the government discovered and filed a document in immigration court that dramatically changed the course of litigation regarding U.S. citizenship. In light of that document, Mr. Correa decided to forego further litigation and conceded that the IJ could issue a final removal order against him.[1] On June 15, 2026, the IJ issued a removal order and Mr. Correa expects to be deported to Mexico in the near future.[2]

---

[1] These facts are based upon both counsel's communications with Mr. Correa's immigration counsel as well as with Mr. Correa. Counsel has remained in contact with immigration counsel since being appointed to Mr. Correa's case and was informed that a removal order was expected this week. Counsel thereafter met with Mr. Correa, who agreed that he would be removed to Mexico and that these habeas proceedings were no longer necessary and agreed to a dismissal. Immigration counsel then informed counsel on June 15 that the removal Order had been issued and that Mr. Correa was expected to be flown to Mexico in the near future.

[2] Although Mr. Correa is moving to dismiss the habeas Petition filed on May 19 that was based on a pre-final order situation, there is always a chance he could be held in prolonged detention following the IJ's removal order. Should that occur, Mr. Correa may file a separate habeas petition based on those circumstances.

REQUEST

Given that the immigration court and detention circumstances giving rise to Mr. Correa's May 19 Petition no longer exist, he moves the Court to dismiss his Petition. Mr. Correa reserves the right to file a separate petition in the future should the need arise.

Respectfully submitted,

s/ Adam F. Doyle

Dated: June 19, 2026
