PETITIONER'S NOTICE OF
SUPPLEMENTAL AUTHORITY

PETITIONER'S ALIEN NO.:

1 Petitioner respectfully submits this Notice of Supplemental Authority to
2 bring to the Court's attention a recent decision issued after briefing in this matter
3 that bears directly on Petitioner's detention. **(See Exhibit 1)**

4 On May 20, 2026, the United States District Court for the Central District of
5 California issued its decision in *Immigration Center for Women and Children v.*
6 *Noem*, No. 2:25-cv-09848-AB-AS, 2026 WL 1455004 (C.D. Cal. May 20, 2026)
7 ("ICWC"). In ICWC, the court certified nationwide classes and stayed certain ICE
8 policies affecting individuals with pending U visa, T visa, and VAWA petitions.

9 The decision is directly relevant here. Petitioner has a pending U visa
10 petition and was granted deferred action by USCIS on 01/15/2025. Despite
11 USCIS's grant of deferred action, Petitioner was subsequently arrested by ICE on
12 December 15th, 2025 and remains detained.

13 The ICWC court specifically addressed ICE's treatment of U visa petitioners
14 who had already been granted deferred action and stayed policies that permitted
15 detention and removal practices inconsistent with those protections. Petitioner
16 appears to fall within the class certified in ICWC and is among the individuals
17 affected by the policies addressed in that decision.

18 Accordingly, ICWC constitutes significant intervening authority that bears
19 directly on the legality of Petitioner's continued detention and supports the habeas
20 relief requested in the Petition.

21 Petitioner respectfully requests that the Court consider ICWC in resolving
22 the pending Petition.
