UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA
Case No. 0:26-cv-03300-JRT-ECW

Omar Deronjic,

Petitioner,

v.

Todd Blanche, *et al.*,

Respondents.

STATEMENT OF NO REDACTION

The Federal Respondents, by and through the Daniel N. Rosen, United States Attorney for the District of Minnesota and Pedro Del Valle, Special Assistant United States Attorney, hereby notifies this Court that the travel document, which has been filed under seal on CM/ECF as ECF No. 15, is impracticable to redact and e-file.

On August 24, 2026, the St. Paul Field Office received Petitioner's travel document. This Court requested production of such document within 48 hours of receipt. The document under seal is a document of the Government of Bosna and Herzegovina, not a document of the United States of America. This travel document, being a foreign-government document transmitted through diplomatic and law enforcement channels presents special document security concerns that warrant preclusion from the public docket. Public filing could compromise future foreign-government communications with the United States. As such, the entire document cannot be provided redacted. Instead, the Court has a copy of the document under seal and Petitioner has a copy provided personally to the attorney of record for Petitioner. Production of the travel document is specifically to

demonstrate that Respondents have a significant likelihood of removal in the reasonably foreseeable future. The accompanying Declaration of Deportation Officer Benjamin Northwood, not filed under seal, addresses this.
