UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF TEXAS
EL PASO DIVISION

EDUARDO YDLIBI TELLISSEH,
Petitioner,

v.

MARKWAYNE MULLIN, *et al.*,
Respondents.

No. 3:26-CV-01907-KC

Joint Advisory to the Court

The parties submit this joint advisory to the Court to update the Court on recent factual developments in this case. On August 21, 2026, Petitioner had a fear interview with USCIS and received a negative fear finding, after which Respondents held Petitioner to pursue third country removal to Mexico based on that determination and his final order of removal. ECF No. 14 ¶¶ 10-11. Petitioner was detained in a holding room at the ICE El Paso Field Office and was not transported to a detention center. Due to Petitioner's continued unwillingness to accept removal to Mexico, Respondents released Petitioner later that afternoon. The parties have conferred and do not believe that there remain any issues that need to be resolved at a hearing before the Court, and respectfully request that the hearing be removed from the calendar.
