Petitioner, proceeding pro se, filed a Petition for Writ of Habeas Corpus pursuant to 28 U.S.C. § 2241, challenging the legality of his Immigration and Customs Enforcement (ICE) detention. However, the instant petition is duplicative of the Petition for Writ of Habeas Corpus Petitioner filed in the Southern District of Florida on July 13, 2026. *See Reyes Ordonez v. [1] On July 20, 2026, the court in the Southern District of Florida denied the government's motion to dismiss or alternatively transfer venue to the Southern District of California. *See*

Accordingly, Respondents respectfully request that the Court either dismiss the instant petition before the Court as duplicative, or, in the alternative, stay the proceedings in this matter until the court in the Southern District of Florida issues its ruling. If the Court chooses to stay the proceedings, Respondents will provide a status report to the Court within three business days of the date Petitioner's habeas petition is ruled on by the District Court in the Southern District of Florida.
