FILED
August 31, 2026
CLERK, U.S. DISTRICT COURT
WESTERN DISTRICT OF TEXAS
BY: Elizabeth Y. Martinez
DEPUTY

To The Honorable Court:

-The petitioner respectfully submits this motion for the recusal of the Honorable Judge assigned to this cause persuant to section 28 U.S.C § 455 (Any justice, judge, or magistrate judge of the United States shall disqualify himself in any proceeding in which his impartiality might reasonably be questioned). Any other applicable provisions.

BACKGROUND

-The petitioner previously filed a petition for Habeas Corpus related to his detention.

-That proceeding was resolved by an order dated: ***JULY 10, 2026.***

-Subsequently, the petitioner filed this petition for Habeas Corpus as a new action, based on the circumstances and grounds explained herein.

-The petitioner respectfully requests that this new action be considered by a different Judge, provided there is a legal basis for Recusal.

GROUNDS FOR THE REQUEST

The petitioner requests recusal because he believes there are circumstances that could raise reasonable doubt about the impartiality of the proceedings.

The petitioner requests recusal because he believes there are circumstances that could raise reasonable doubt about the impartiality of the proceedings.

The specific circumstances that support this request are:

- ***The Judge has previously expressed an opinion about the facts or about the person that would reasonably call their impartiality into question.***
- ***There are some other objective circumstances that would cause a reasonable person to question the Judge's impartiality.***

The petitioner acknowledges that the mere fact that the Honorable judge presided over a previous proceeding does not, in itself, constitute sufficient grounds for recusal.

LEGAL BASIC

The request is filed primarily under ***28 U.S.C § 455****, which establishes circumstances under which a federal judge must recuse himself when his impartiality may be reasonably questioned. To the extent applicable the petitioner also requests that the court consider any other relevant federal provisions.*

Request for the reasons stated above, the petitioner respectfully requests that:

1- *The Court consider this Motion.*

2- Determine whether the circumstances described warrant the recusal of the assigned Judge.

3- If so, reassign this action to another Judge in accordance with applicable rules.

4- Grant any Other relief the Court deems just and appropriate.

Respectfully submitted.
